

Laugh away the weekly blues with 4Music's Funny Mondays

At 4Music, we know that Mondays lack a punchline. In fact, they can be a drag at the best of times.

At the beginning of 2010 we set out to change all that with our Funny Mondays programming, designed to deliver the best and brightest of TV comedy straight to your eyeballs.

As spring arrives, we didn't want to limit the fun purely to Mondays though, so we've bumped up our comedy credentials to make the whole month of March on 4Music a place for you to kick back and belly-laugh, under the profound banner of Funny Stuff.

For Funny Stuff, we've packed up the perfect antidote to those start-of-the-week blues with more of your favourite rib-tickling TV shows than you can shake a funny shaped stick at.

Which is why we thought it made perfect sense to give you the laughs to get your through the weekday blues; and kick back to the likes of Dom Jolly's Trigger Happy antics, Banzai's shakey-hand action, and well, the less said about what Balls of Steel lot get up to, the better!
